

Key Elements of a Strategic Plan

CONTEXT AND RATIONALE

- a) What is the context for the work that you do? [National and local policies; why is it deemed to be important?]
- b) Who is your target group? [Detailed description; personal characteristics; location etc.]
- c) Why do they need help / support? [What issues / problems are they facing and why?]
- d) What evidence do you have to support your views? [Research / data / target audience consultation etc.]
- e) What might happen to your target group without your support?
- f) Brief summary of the services you will provide to help the target group.
- g) Who are your key stakeholders? [Statutory bodies / voluntary organisations / schools etc.]
- h) Who else is working in the space you occupy? [Are they collaborators / competitors?]

ORGANISATIONAL STATUS

- a) Brief history of your organisation. [When it was established; track record; notable achievements; awards won etc.]
- b) What services are you currently delivering?
- c) Can you quantify the impact and outcomes you are achieving? [How do you measure these?]
- d) Description of your financial status.
- e) Brief description of your aspirations / potential for growth.
- f) Resource Availability (summary of the internal resources available to your organisation)
- g) Description of management group
- h) Staff
- c) Volunteers and other supporters
- d) Description of operational resources

MISSION / VISION / VALUES

- a) Mission an action-based statement that declares the purpose of your organisation and how it serves its customers.
- b) Vision aspirational statement made by your organisation that articulates what it wants to achieve.
- c) Values actions that define the behaviour of your organisation.

Marketing and communications plan

STRATEGIC OBJECTIVES

Use a 'Balanced Scorecard' to include:

- a) Financial
- b) Customer
- c) Internal Process
- d) Organisational Capacity or Learning and Growth

- e) Delivering the plan: create a tactical plan to achieve each strategic objective; what, who, when, where, outcomes.
- f) Risk assessment describe key risks involved in delivering the plan and how these will be mitigated
